

GINOVO
ENDOSCOPY

4000 SERIES

PRODUCT NAME	PART NUMBER	DESCRIPTION
GL-4000	GN-42004	4000 Series Light Source (4-LED)
GP-4000	GN-41000	4000 Series Image Processor
	GN-40100	4000 Series Keyboard
	GN-3002	Water bottle
Trolley	GN-40300	4000 Series Trolley with transformer, gas spring monitor support arm*1, with isolated power supply, 220V
GI-4000	GN-44128-1050	Video Gastroscope GI-4000: $\Phi 9.3 \times 1050\text{mm}$, 2.8mm working channel
CI-4000T	GN-44238-1700T	Video Colonoscope CI-4000T: $\Phi 12 \times 1700\text{mm}$, 3.8mm working channel
GI-4000Z	GN-44128-1050Z	Video Optical Magnification Gastroscope GI-4000Z: $\Phi 10.5 \times 1050\text{mm}$, 2.8mm working channel
CI-4000Z	GN-44238-1350Z	Video Optical Magnification Colonoscope CI-4000Z: $\Phi 12.7 \times 1350\text{mm}$, 3.8mm working channel
Accessories	GN-3000	Biopsy cap x10
	GN-3001	Water valve x2
	GN-3003	Air valve x2
	GN-3005	Channel brush x2
	GN-3006	Channel plug x1
	GN-3007	Injection tube x1
	GN-3008	Leak tester x1

THE GINOVO 4000 Series Endoscopy System combines high-definition image clarity with intuitive controls and dependable performance in a compact, cost-effective platform. Advanced image processing and enhanced illumination deliver crisp, detailed visualization support accurate detection and diagnosis, while its streamlined design integrates easily into existing workflows. The GI-4000 brings premium performance within reach—making high-quality endoscopy more accessible than ever.
